DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) Mr. Nilssen (3) \_\_\_\_\_  
(2) Ex. Beha (4) \_\_\_\_\_

Date of interview July 24, 1987

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description: \_\_\_\_\_

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: 143 + 144

Identification of prior art discussed: Printell + Walker

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Nilssen's arguments re claims 143 + 144 were discussed but not resolved. The examiner suggested amending claims 143 + 144 with a limitation drawn to the connection of an AC input terminal connected to a square wave output terminal, or alternatively, with limitations directed to a half-bridge inverter, so as to make the claims allowable. But Mr. Nilssen rejected the proposal, preferring to prosecute the broader claims 143 + 144 as they exist.  
(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
